

# Sports Academy Flying 2012

**Our Centre at Lancing offers flying instruction for students wishing to take to the skies and learn how to fly a light aircraft**

## The Flying School

- Students learn to fly with a professional flying school based at Shoreham Airport.
- Shoreham Airport is situated just 5 minutes' drive away from Lancing College.
- The flying school is regulated by the Civil Aviation Authority.

## The Lessons

- Some ground training is given before a student's first flight to pre-teach basic flight vocabulary.
- Students have 2 x 45-minute flying lessons per week.
- Instruction is given by a fully-qualified flying instructor who is in the plane at all times.
- Students will learn the basics of flying such as take off, turning, ascending, descending, flight controls & landing.
- The plane has dual controls so the flight instructor can take control at any time.

## Requirements

- Flying lessons are available to students at our Lancing centre (ages 13-18).
- Perfect vision is required (students can wear glasses or contact lenses).
- A basic understanding of English is required to fly (Pre-Intermediate level).
- Students must be in good general health.

## Further Details

- There is no personal insurance cover for the student.
- Students will receive a logbook to officially record their flying hours.
- In addition to their own lesson, students may sometimes be able to sit in the back of the plane whilst another student is flying.

**Fly over the Sussex countryside and see the beautiful south coast from the air!**
