

Outdoor Pursuits

Transporting our new First Year students en mass to Derbyshire, half-way through their first term, is now established as a great St Bede's tradition.

They set off for days of pot-holing, abseiling, caving, horse-riding and more, in trepidation, having heard gruesome tales from the Lower Fifth.

They return, having had a wonderful time along with the opportunity of really getting to know one another.

'Fast, scary and an adrenaline rush.'

Theo Winstone

'It was brilliantly fun and, at times blooming scary.'

Chloe Hardwick

'I made new friends, enjoyed fun activities and had a great time.'

'Being cold, wet and scared isn't usually fun; on the O-P trip it just made it exciting'

Dale Ash
